**Part II. Comments and Things to Fix** (please indicate # of checklist item)

#add relative courses information

#add job and work experience

**Part 3. Reflection – what I learned from doing the peer review**

**About the peer review process**

I have learned how we can differently use css and html .

**About what I might change in my own assignment**

I think ,I should change my css to look my assignment more effective

**About quality and design**

Effectively used css that give a nice look to website
