Part II. Comments and Things to Fix (please indicate # of checklist item)

I think she should make the font and text size larger so that text appearance looks good.
Internal linking should be effectively used in Resume page .

Part 3. Reflection – what I learned from doing the peer review

About the peer review process

I learned the new way to design and present my website using different color combination.

About what I might change in my own assignment

The way she represents the Education tab in with different links to assignments, quizs and course content.

About quality and design

Color combination is effectively used and quality of the design is average.
